

## FORGET ABOUT THE BOY

No canary in a cage for me.  
This canary's ready to fly free!

Cut the cord.  
Is that a man I once adored?  
He's nothing but an albatross,  
No great loss,  
Double crosser.  
Forget about the boy.

Pull the plug.  
Ain't he the one who pulled the rug?  
He's lower than an alley cat,  
Dirty rat,  
And I flatter?

Forget about the boy. x3

### ALTOS

And in the moonlight,  
Don't you think about him  
Sister, you're much better off with out him

### SOPS

( Oo... Not a thought...Ah..... without him-)

You can blow the blues a kiss goodbye  
And put the sun back in the sky  
For when he comes crawlin'  
I'm not fallin'

Shout hooray and ha-le-lu (woo-hoo-**SOPS 2**)  
Now me and Mister Wrong are through  
I'll find myself another beau  
Who I know is no rover.

Forget about the boy  
Forget about the boy  
Forget about

Jimmy, oh Jimmy-(**SOPS 1**)

Horace, Danny, Milton, Percy, Edgar

Jimmy-(**SOPS 1**)

Percy, Edgar, Timothy, Alfred. -(**SOPS 2**)
